Crafting The Future With Industry Leaders To Transform Technology

Ascendion partners with 15+ of the top industry leaders including:

Designing A Better, Diverse, And Inclusive World

Building A Greener, Brighter Future

Ascendion is dedicated to driving impactful sustainability initiatives.

- Through the Ascendion Afforestation Project in Nuh, Haryana, India, we planted nearly 2,000 fruit-bearing trees with local farmers and the NGO Sankalp Taru, revitalizing ecosystems and empowering communities.
- In the Sierra Madre Mountain Range, Philippines, 1,600 trees now serve as a natural shield against typhoons, supporting indigenous livelihoods.
- In Vikramgad, Maharashtra, Ascendion adopted a village school, enhancing infrastructure, providing supplies, and fostering creativity through art, sports, and a new computer lab and library.
